University of West Alabama	377	176	201	145	64	81	38%	36%	40%

NOTES: Public universities are sanctioned by the state to serve a particular purpose. Universities that have less selective admission policies and serve a greater number of students requiring financial aid tend to have lower retention and graduation rates. For more details on individual institution characteristics and their student body, please visit the webpage at ache.edu/wp-content/Accountability/InstCharacteristic.pdf.

Graduation rates are defined as the total number of individuals from a given cohort of full-time, first-time degree/certificate-seeking undergraduates who completed a degree or certificate within a given percent of normal time to complete all requirements of the degree or certificate program; divided by the total number of students in the cohort of full-time, first-time degree/certificate-seeking undergraduates minus any allowable exclusions, disaggregated by GENDER.

Athens State University is an upper division institution and does not accept any freshman students.
