NOTES: This report gives the number of awards (certificates and associate degrees) conferred to students in the cohort at any time within the reporting period (2016-2017 academic year to 2021-2022 academic year – fall, spring, and summer terms). Students in the cohort may have received multiple awards within that period and all awards are represented in this count.

Due to the nature of the population it serves, Ingram State Technical College is not included in this report. Additionally, ISTC does not participate in the National Student Clearinghouse Post-Secondary Data Partnership, so comparable data is not available.

The **MAIN COHORT** includes “all first-time students who entered the institution for the first time post high school completion and are enrolled in credit or developmental education classes in the fall term.”
