(11) FULL-TIME STUDENT. A full-time student is defined as an eligible student who is carrying a full-time academic workload measured in terms of course work or other required activities, including courses, work experience, research, or special studies which the institution requires of the student to be considered as being engaged in full-time study, which amounts to the equivalent of a minimum of twelve (12) semester hours or eighteen (18) quarter hours per academic term; or the student is charged the tuition and fees for full-time study by the

(16) (Re)ENGAGE ALABAMA GRANT PROGRAM FORMS. Institutions will be required to submit the following documents:

(a) (Re)Engage Alabama Grant Program Institutional Agreement – the document is to be signed by the President of the institution.

If a student withdraws from the college or reduces one’s course-load after receiving (Re)Engage Alabama Grant Program funds, but before the end of the academic term and is not entitled to a refund in accordance with the institution's refund policy, the (Re)Engage Alabama Grant Program will not require the institution to refund the institution’s (Re)Engage account any portion of the grant award which was utilized by the student for the period of actual attendance. However, if the grant award exceeds the amount of the educational cost to the student, the institution must return the overpayment difference to the institution’s (Re)Engage account for potential future redistribution to another eligible student. The institution must maintain documentation of the student's records, listing (a) the date the student withdrew, (b) the net institutional charges to the student for the period of the student's attendance, (c) the amount of the student's grant award, and (d) the amount of refund due to the (Re)Engage Program.

(18) RENEWAL OF GRANT. A student grant recipient who maintains eligibility and continuous enrollment as defined may receive the award the next academic term or until such time as the student receives an associate or baccalaureate degree. ### 300-4-13-.05 Rule Making Authority for Grant Program

(1) The (Re)Engage Alabama Grant Program shall be administered by the Commission, which may adopt any rules necessary for the administration of the program.

(2) The allocation of funds is based on the proportional share of Alabama-resident graduates of the approved public institutions’ programs divided by available funds. Similar calculation is conducted for the approved private, nonprofit institutions using IPEDS and institutional data requests.

(a) Using the Alabama Committee on Credentialing and Career Pathways (ACCCP) statewide high demand occupation list, the process to determine each institution’s fund allocation is as follows:

1. Careers requiring an associate or bachelor’s degree within the upper quartile based on the ACCCP high demand and high wage are identified as the workforce shortages to be targeted for the program.

2. The nationally recognized Classification of Instructional Programs (CIPs) that align with the upper quartile ACCCP high wage high demand occupations are identified to create a program CIP listing.

3. From the program CIP listing, the CIPs that are offered at the approved institutions are identified per institution.

4. Historical data of Alabama-resident graduates per CIP for each approved institution is collected and analyzed to evaluate the total average degree count for the associate and baccalaureate levels for the program CIPs.
5. The associate average degree total and the baccalaureate average degree total are each divided by the overall average degree total to determine the percentage of available funds to be allocated per degree level (i.e., the initial distribution for 2024 yielded 74% of funds to be allocated for baccalaureate and 26% of funds to be allocated for associate).

6. Each institution’s average number of in-state degrees awarded is divided by the total degrees per level (associate or baccalaureate) to determine the institution’s degree percentage within the degree level.

7. Each institution’s degree percentage is multiplied by the amount of the degree level portion of funds determined in section .05(2)(a)5.

8. The number of potential grant recipients is determined by dividing the institution’s funding portion in section .05(2)(a)7 by the maximum per academic year award for a full-time student (i.e., Bachelor’s: minimum 72 hours earned with at least 48 remaining for degree completion at 120 hours, costing $12,000 at $250 per credit hour; Associate: minimum 36 hours earned with at least 24 remaining for degree completion at 60 hours, costing $3,000 at $125 per credit hour.) This funding calculation yields ample funding for students who would require the maximum number of hours (based on 60 credit hours for associate and 120 credit hours for bachelor’s) to complete a degree in one of the qualifying CIPs.

300-4-13-.06 Awarding Procedures.

(1) The following procedures shall be the method used by the Commission for making the (Re)Engage Alabama Grant Program funds available to eligible students at approved institutions:
(a) Each applicant must submit to the eligible institution a yearly Free Application for Federal Student Aid application (FAFSA).

(b) An applicant may receive consideration for the (Re)Engage Alabama Grant Program award at only one approved institution during one academic term. An application must be submitted for each term of enrollment. The student recipient must remain continuously enrolled at the same approved institution while seeking to complete a degree in the approved (Re)Engage Program to maintain eligibility.

(c) The (Re)Engage Alabama Grant Program Application may be obtained from approved institutions.

1. All information requested on the initial (Re)Engage Alabama Grant Program Application must be completed by the student and submitted to the Financial Aid Office of the approved institution in which the student is enrolled by the given deadline date. As long as a student is continuously enrolled as defined, the student is to complete a (Re)Engage Alabama Grant Program application for each term following the initial award term. All applications must be kept on file (electronically or paper) by the institution for at least five years following the student receiving a degree. Should a student not be continuously enrolled at the institution, a new application is required following stop-out, as defined, prior to the new enrollment and reconsideration of receiving the grant. ACHE is to receive a copy of all applications and the certified (Re)Engage Alabama Grant Program Award List within 30 business days of the student application deadlines each academic term.

   (i) Student application deadlines for semester terms are as follows:

      (I) Fall Semester term grant applications must be received by September 15.

      (II) Spring Semester term grant applications must be received by February 15.

      (III) Summer Semester term grant applications must be received by June 15.

   (ii) Student application deadlines for quarter terms are as follows:
(I) Fall Quarter term grant applications must be received by September 15.

(II) Winter Quarter term grant applications must be received by January 15.

(III) Spring Quarter term grant applications must be received by April 15.

(IV) Summer Quarter term grant applications must be received by June 15.

2. Initial applications received by an approved institution’s Financial Aid Office shall be dated when received. Each initial application shall have a preliminary review by the institution to determine if the application is complete and meets the eligibility criteria for a grant. Each student applicant shall be notified by the institution when the initial application is incomplete and additional information is needed. If all items and information requested on the initial application form are not completed, the application is invalid and the student is ineligible to receive the (Re)Engage Alabama Grant Program payment. The institution shall notify each applicant who does not meet all eligibility criteria and is, therefore, ineligible for the (Re)Engage Alabama Grant Program award.

3. All applications which pass the institution’s preliminary review for eligibility shall be compared to other appropriate institutional records. Institutional records shall be used to verify the following requirements for each student applicant:

   (i) Age, 25 years or older.

   (ii) A citizen or a lawful permanent resident of the United States.

   (iii) A resident of Alabama.

   (iv) A graduate of a secondary school or the recognized equivalent of a high school graduate.

   (v) Has not attended a postsecondary education institution for at least two (2) years (24 consecutive months) prior to their current enrollment.
(vi) Has not earned an associate or baccalaureate degree at any other institution prior to applying for the (Re)Engage Alabama Grant Program.

(vii) Classified as an undergraduate student with the completion of at least 36 credit hours for an associate degree or at least 72 credit hours for a baccalaureate degree.

(viii) Enrolled as a full-time student (minimum of twelve (12) semester hours) or part-time (minimum of six (6) semester hours) student in an eligible program in an authorized institution leading to an associate degree or baccalaureate degree that is aligned with Alabama’s high demand workforce needs promulgated by the Alabama Committee on Credentialing and Career Pathways.

(ix) Has good academic standing as defined by the institution.

(x) Not enrolled in a course of study leading to an undergraduate degree in theology, divinity, or field of preparation for a religious vocation.

(d) For students who are to be determined as eligible for a (Re)Engage Alabama Grant Program award each term, the institution shall complete a certified (Re)Engage Alabama Grant Program Award List and submit the list to the Commission. The award list shall include but is not limited to the following information: student’s full name, identification number, the eligible program in which the student is enrolled, current term requesting funds, prior terms of received funds (includes renewals of grant), and total enrollment hours of all students to validate eligibility and determine award amount during the identified academic term. This list will be electronically shared with the Commission using a Secure File Transfer Protocol (SFTP) network provided by the Commission for security purposes. The financial aid office representative and the president of each institution shall sign the approved institution’s (Re)Engage Alabama Grant Program Award List for each academic term, certifying that each student on the roster is eligible for the award and has submitted a complete and acceptable (Re)Engage Alabama Grant Program application to the institution on or before the application deadline for the term in which payment is requested.
(e) The maximum award amount a full-time student may receive per academic term is $3,000 for universities and $1,500 for community colleges. The maximum award shall be reduced proportionately for students who enroll six to eleven hours and for students enrolled in less common academic terms, such as quarters, summer terms, and intersessions.

(f) Each awardee shall be sent an award notice by the institution to inform of aid awarded through the (Re)Engage Alabama Grant Program.

(g) The institutional financial aid office representative will check each awardee for eligibility guidelines to include, but not limited to, the following:

1. Age, 25 years or older;
2. Residency of Alabama;
3. Student has not attended a postsecondary education institution for at least two (2) years (24 consecutive months) prior to their current enrollment.
4. Number of hours enrolled;
5. Eligible program and academic progress; and
6. Good standing as defined by the institution.

(h) The institutional financial aid office representative shall be responsible for ensuring that each student is not over-awarded.

(i) The (Re)Engage Alabama Grant Program will send a total sum payment of funds per academic term to the approved institution for deposit in the institution’s (Re)Engage account to be credited accordingly to eligible student accounts provided on each academic term’s (Re)Engage Alabama Grant Program Award List.

(j) All eligible institutions shall follow the policies and procedures set forth by the Commission for the (Re)Engage Alabama Grant Program.

(1) ACHE shall determine from the certified award lists received from all approved institutions the sufficiency of funds and the per grant dollar amount per eligible student for each academic term. Each eligible full-time student may receive a maximum of $3,000 per term for universities (baccalaureate level programs) or $1,500 for community colleges (associate level programs). The maximum award shall be reduced proportionately for students who enroll six to eleven hours and for students enrolled in less common academic terms, such as quarters, summer terms, and intersessions. No eligible student shall receive a grant at more than one approved institution during any one academic term.

(2) ACHE shall determine the dollar amount of each institution’s total grant amount needed to cover students enrolled in each academic term and shall prepare a request for the State Comptroller to disburse (Re)Engage Alabama Grant Program funds to the institutions. ACHE shall earmark the total award amount designated for the student based upon the hours required to complete the approved associate degree (60 hours) or baccalaureate (120 hours). The institution will be responsible for allocating the funds accordingly and not exceed award amount.

(3) The check and a signature roster with the dollar amount of grant payment indicated for each eligible student shall be forwarded to the approved institution and shall credit each eligible student's account with the dollar amount indicated on the signature roster. The approved institution shall return the completed certified signature roster to the (Re)Engage Alabama Grant Program Office. Should the dollar amount of a grant credited to an eligible student's account exceed the dollar amount due the institution by the student at the time a (Re)Engage Alabama Grant is credited to an eligible student's account, a check in the amount of the excess funds (credit) shall be returned to the (Re)Engage Alabama Grant Program.

(4) If a student whose eligibility for a grant has been certified by an approved institution becomes ineligible for a grant before the expiration of the institutional tuition refund period, the grant funds shall not be delivered to the student but shall be returned to the (Re)Engage Program. Funds
are considered received by a student when the institution credits an (Re)Engage Alabama Grant Program payment to the student's account.

(5) In no academic term may the grant amount credited to an eligible student’s account exceed the per student operating expenditures of the institution for nonsectarian, secular educational purposes. Under no circumstances shall any (Re)Engage Alabama Grant Program funds be utilized by an approved institution or an eligible student for religious, sectarian or denominational purposes. Approved institutions receiving (Re)Engage Alabama Grant Program funds shall segregate such funds in a special revenue account and shall identify nonsectarian expenditures of such funds.

(2) If a student whose eligibility for a grant has been certified by an approved institution becomes ineligible for a grant before the expiration of the institutional tuition refund period, the grant funds shall not be delivered to the student but shall be returned to the (Re)Engage Program.

(3) If a student becomes ineligible for a grant at an approved institution after funds are received by the student (following certification as eligible for a (Re)Engage Alabama Grant Program award) prior to the end of the academic term and who is entitled to a refund in accordance with the institution's written refund policy, the institution shall refund the (Re)Engage Program any portion of the grant payment that exceeds the institution's direct charges to the student for the period of actual enrollment.
(4) Should a student drop below full-time enrollment to part-time status before the expiration of the institutional refund period (after being certified as full-time by the approved institution), the maximum award shall be reduced proportionately to the student enrollment status for that term.

(5) If a student who drops below full-time enrollment to part-time status after funds are received by the student (following certification as full-time by the approved institution) and is entitled to a refund on reduced charges in accordance with the institution's written refund policy, the institution shall refund the difference between the amount of grants in full-time students as compared to half-time students for that particular term to the (Re)Engage Program. Note: A student who drops below the minimum enrollment requirement of six hours automatically becomes ineligible for the (Re)Engage Grant Program.

(6) Each refund payment reported on the (Re)Engage Alabama Grant Program Refund Form shall include:

(a) The name of the approved institution involved;

(b) The full name and identification number of the student;

(c) The action which necessitated the refund, and the date of that action;
