For public two-year institutions, not including Athens State University, the State Board of Education, upon the recommendation of the Chancellor of the Department of Postsecondary Education, shall retain the power to extend resident tuition rates to students who reside in any county within 50 miles of a campus of the institution; provided, however, that campus must be in existence and operating as of January 1, 1996."

Please contact the Registrar's office or the institution's website for the most current policy.

The fifty-mile radius is calculated from the main campus.
