

ALABAMA COMMISSION ON HIGHER EDUCATION 2026 MEETING DATES AND ACADEMIC DEADLINES

All documents and supporting materials for academic items must be submitted through the **Academic Program Review (APR) Portal** at apr.ache.edu, which requires authorized users to sign in using an ACHE-assigned login. If you forget your login details or need to update the authorized users, please contact Ms. Kristan White, Academic Program Analyst (kristan.white@ache.edu).

Please be sure to “lock” submissions in the APR Portal. Academic items are considered “submitted” only once they have been locked within the APR Portal. Items that are marked as “pending” and have not been locked by the deadline will not be reviewed for inclusion on the upcoming ACHE meeting agenda.

Note: Placement of new program proposals on a particular Commission meeting agenda, even when the deadline is met, may be dependent upon the volume of proposals and other items received. The timeliness of peer review (when required) may also be a factor. Therefore, it is advisable to submit proposals as early as possible, especially when SACSCOC Sub Change is also required.

Questions about academic items can be sent electronically to Dr. Robin McGill, Deputy Director of Academic Affairs (robin.mcgill@ache.edu); and Ms. Kristan White, Academic Program Analyst (kristan.white@ache.edu).
