### Revised Reference Tables

Changes are made annually to the following Student Database Reference Tables:

Institutional FICE Codes  
ACT High School Codes  
ACT College Codes  
Program Inventory

The following is a list of changes that were made to the Student Database Reference Tables:

#### **2020 Updates:**

CIP Codes Data Table – ACHE implemented new CIP 2020 taxonomy codes.

#### **2013 Updates:**

Country Data Table – US Territories were removed but remained in the State table.

#### **2010 Updates:**

CIP Codes Data Table – ACHE implemented new CIP 2010 taxonomy codes.

#### **2004 Updates:**

CIP Codes Data Table – ACHE implemented new CIP 2000 taxonomy codes.

## Revised Elements

In order to continue to make the data collection process more effective and reliable, changes in data elements may occasionally be necessary. These changes will be made only once a year if possible. Any edit changes are sent to the institutions via email in a timely fashion (generally 3-6 months prior to Fall processing.) The changes will be distributed before the submission date of the Fall Term data. Distribution will be done by publication of this document on Alabama Commission on Higher Education's Research Resources page. If a printed copy of this document is needed please contact Director of Research Services at (334) 242-2753.

The changed elements will be listed below. Additions or revisions in text will be underlined and deletions will be noted with the text marked through with a line. Additions or deletions of entire elements will also be noted in this section.

<b>Element Title:</b>	Institution FICE Code
<b>Short Title:</b>	FICE
<b>Reference Numbers:</b>	ST010, GR010
<b>Definition:</b>	The identification number for each reporting institution will be the institution's FICE code.
<b>Data Specifications:</b>	The FICE code is the 6-digit identification code created by the Federal Interagency Committee on Education (FICE) and is used in all Integrated Postsecondary Education Data System (IPEDS) reports.  A list of FICE codes can be found via the Web Edit System under the 'Reference Files' button.
<b>Element Format:</b>	999999
<b>Element Type:</b>	Integer
<b>Application:</b>	All
<b>Requirement Designator:</b>	Essential
<b>Source of Definition:</b>	HEIAG
<b>Source of Data:</b>	Provided by Institutions

<b>Element Title:</b>	Student Identification Number
<b>Short Title:</b>	STID
<b>Reference Numbers:</b>	ST020, GR020
<b>Definition:</b>	The student's Social Security number will be altered using a predefined integer encryption routine for this field. The encryption routine that will be used with this field will be provided to each institution by the Alabama Commission on Higher Education. When unavailable, the institution should use an institutionally assigned number or a state number, if applicable. Element shall be reported with leading zeros for numbers less than 100000000.
<b><u>Data Specification:</u></b>	The original unencrypted number cannot be all 0's or all 9's. The system recognizes these encrypted values as exceptions.

<b>Element Title:</b>	Entering Freshman Cohort Year
<b>Short Title:</b>	COHORT
<b>Reference Number:</b>	ST270
<b>Definition:</b>	Beginning with Fall 2003 Cohort, the year of the fall term in which a student is counted as a first-time degree seeking undergraduate student on IPEDS Fall Enrollment Survey at the reporting institution.
<b>Data Specifications:</b>	<p>Beginning with Fall 2003, a four-digit numeric code in the form of YYYY should be used in this field. Only report <i>new</i> cohorts (cohort year equals the reporting year) during the Fall term that the student was a first-time, degree-seeking undergraduate student. Include both Full-Time and Part-Time students. For example: the new cohorts for the fall term of academic year 2003-04 would be reported as 2003. If a student is not included in any first-time, degree-seeking undergraduate <u>Fall</u> cohort for the reporting year and reporting institution, a 9999 will be used to report this element.</p> <p>For all Spring and Summer terms, the default value of ‘9999’ MUST be reported in this data field.</p> <p>Non-degree seeking students, STLEV ‘01’, and High School students, STLEV ‘12’ should NOT be part of a cohort, therefore, these students must be coded with 9999.</p> <p>For those students in a cohort prior to 2003, regardless of the term, a 9999 will be used.</p> <p>First-time degree seeking students in a Fall cohort cannot be a graduate level student. For example: ED090-STLEV cannot be 07, 08, 09, 10, 13, or 97).</p>
<b>Element Format:</b>	9999

<b>Element Title:</b>	Cumulative Grade Point Average
<b>Short Title:</b>	CUMGPA
<b>Reference Number:</b>	ED300
<b>Definition:</b>	The cumulative grade point average that a student has earned through the reporting term at the current degree level at the reporting institution.
<b>Data Specifications:</b>	When recording GPAs, an implied decimal point will exist between the first and second digits. A GPA of 3.50 would be recorded as '350'. A 4 point scale will be used. The reporting institution will convert all 3 point scale GPAs to 4 point scales before reporting information to ACHE. If information is unknown or not reported, a 999 will be used to report this element.

<b>Element Title:</b>	Graduation Year
<b>Short Title:</b>	GRADYR
<b>Reference Number:</b>	GR060
<b>Definition:</b>	The calendar year in which the student graduates.
<b>Data Specifications:</b>	A four digit numeric code in the form of YYYY should be used in this field. The fall term for academic year 2008-09 would be reported with "2008" as the reporting year; spring, and summer terms would be reported with "2009" as the reporting year.

**Element Title:** Term Degree/Award Conferred

**Short Title:** GRADTRM

**Reference Number:** GR070

**Definition:** The term the degree or award is conferred will be identified by two alpha characters (FA = fall semester; SP spring semester; SU = all summer terms.)

**Data Specifications:** The reporting term will be each regular, academic term within the academic year. Institutions on the semester system will report three terms per year (fall, spring, and summer). Short terms or "mini" terms will be reported with the term in which the institution usually reports them. For example, a three-month summer session plus one or two six-week terms would be reported together for the summer term.

**Coding Options:** FA Fall semester  
SP Spring semester  
SU Summer semester

<b>Element Title:</b>	Classification of Instructional Program (CIP) Code Degree/Award Conferred
<b>Short Title:</b>	DEGCIP
<b>Reference Number:</b>	GR080
<b>Definition:</b>	The Classification of Instructional Programs (CIP) Code that is applicable to the degree or award being reported. The six digit Classification of Instructional Program (CIP) codes (which define operating Postsecondary programs) will be used in this field.
<b>Coding Options:</b>	The U.S. Department of Education, National Center for Education (NCES) Statistics Classification of Instructional Program (CIP) codes are used to report this data element.  <b>Note:</b> The CIP Code reported for this element must be a valid entry for the reporting institution in the Alabama Commission on Higher Education’s Academic Program Inventory or a certificate recognized by ACHE.  A list of CIP Codes, Program Inventory and Certificates programs can be found via the Web Edit System under the ‘Reference Files’ button.  Beginning with Summer 2020 reporting cycle, (which include graduates for SU 2019 through SP 2020), ACHE will require implementation of new CIP 2020 codes for the completions data submissions based on guidance from NCES for IPEDS reporting.
